

CUSTOMIZE THE RED GUIDE FOR YOUR COMMUNITY

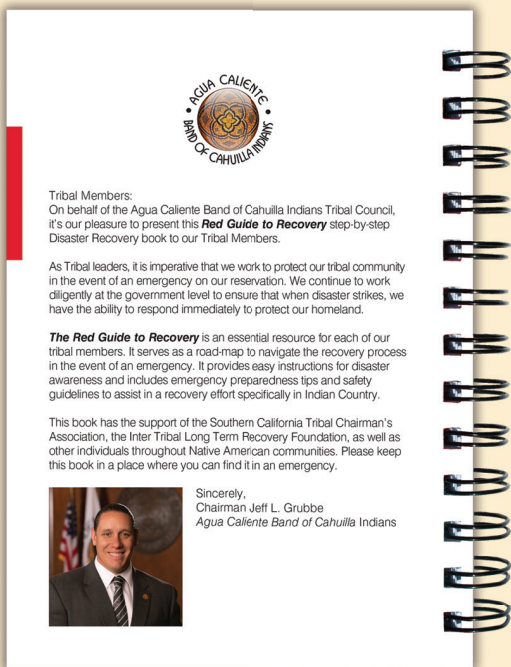

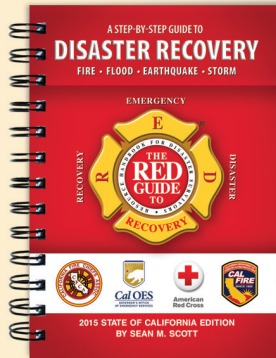

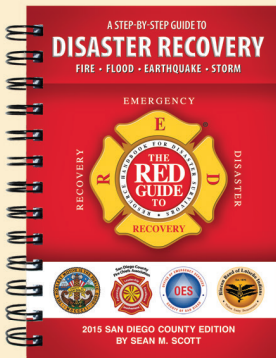

FINALLY A RESOURCE THAT HELPS COMMUNITIES REBOUND AFTER DISASTERS!

The Red Guide to Recovery offers many customizable features that can help disaster survivors avoid becoming disaster victims.

Here are some of the ways we can tailor *The Red Guide to Recovery* specifically for your city, county, state, Tribe, or region:

- 1) Placement of up to four logos or seals on the cover.
- 2) Placement of a personal message or opening statement.
- 3) Acknowledgement of key individuals and/or agencies that are involved in the funding, development, support, or distribution of *The Red Guide to Recovery*. (Fire chiefs, emergency managers, law enforcement officials, government officials, etc.)

YOU CAN HELP DISASTER SURVIVORS REBUILD THEIR LIVES!

- 4) Customization of content to include local programs or resources specific to your community.
- 5) Inclusion of a local phone directory.
- 6) Placement of a sponsor recognition page to acknowledge corporate sponsors who may partner in funding the guide.
- 7) Placement of a QR code that will send users to websites, videos, PSA's, or other locations for up-to-the-minute information.
- 8) Use the rear utility pocket to hold vouchers, coupons, and a wide range of other supplemental information.
