## THE ONLY RESOURCE THAT WALKS DISASTER SURVIVORS THROUGH THE RECOVERY PROCESS!

Here are some ways we can tailor the guide for your community:

- 1) Placement of logos on the cover.
- 2) Placement of a personal message.
- 3) Acknowledgement of stakeholders who support or distribute *The Red Guide to Recovery*.
- 4) Customization of content to include local resources specific to your community.

The Red Guide to Recovery – Resource Handbook For Disaster Survivors

- 5) Placement of a recognition page to acknowledge corporate sponsors.
- 6) The rear utility pocket can hold vouchers, coupons, and other supplemental information.
